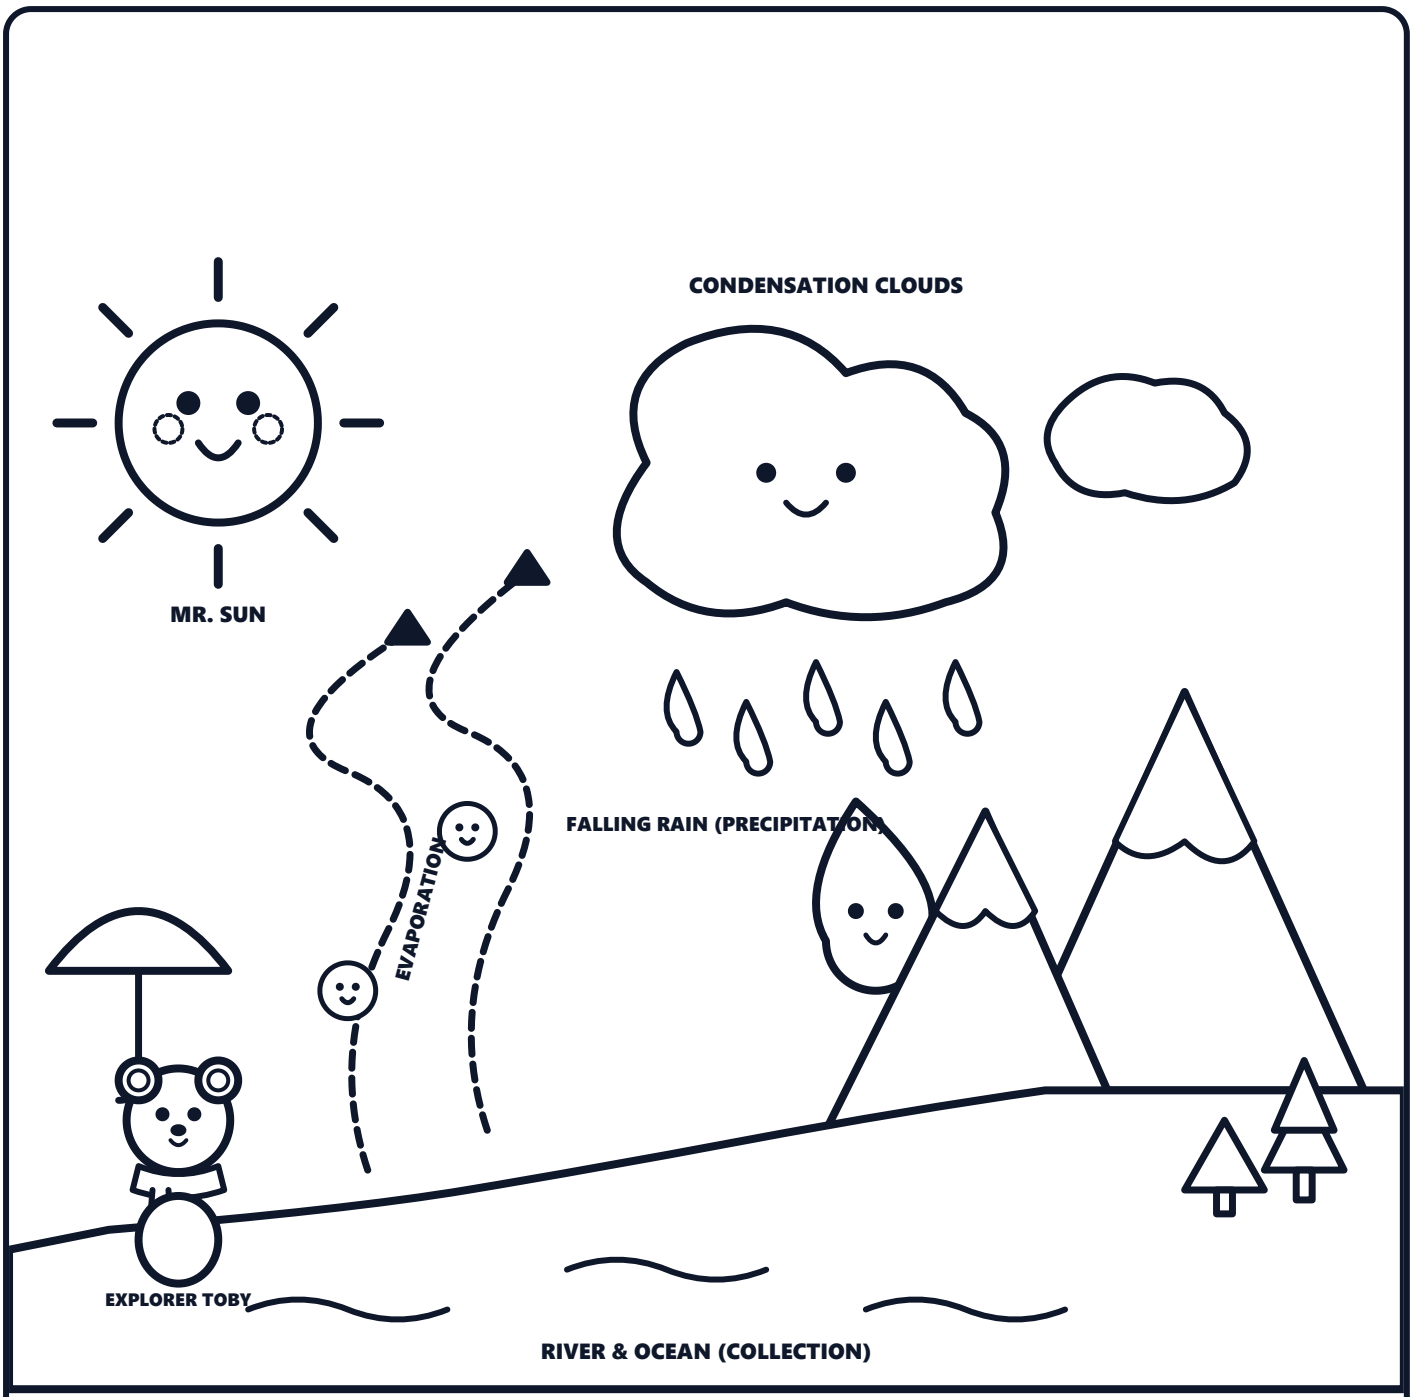
THE MAGICAL WATER CYCLE

Science Coloring & Activity Sheet with Toby & Zen

UNIT 1: NATURE



PENCIL & CRAYON WORD TRACING PRACTICE — **TRACE & LEARN**

THE SUN	EVAPORATION	RAIN CLOUD	RIVER
WARMTH & LIGHT	RISING VAPOR	CONDENSATION	COLLECTION

💡 **Science Wonder with Zen:** Water on Earth is constantly recycled and never ends! A raindrop falling on your jacket today might have been inside a dinosaur's cup 100 million years ago!

🎨 **Coloring Challenge:** 1. Color Mr. Sun in bright yellow & orange.
2. Draw 5 happy little raindrops.
3. Riddle: What does water turn into when it rises?
